##### Background

On August 9, 2004, Commerce published in the *Federal Register* an antidumping duty order on PRCBs from China.<sup>1</sup> On August 2, 2021, Commerce published in the *Federal Register*

a notice of opportunity to request an administrative review of the *Order*.<sup>2</sup> On August 31, 2021, the petitioners<sup>3</sup> timely requested an administrative review of the *Order* with respect to Nozawa and Crown Polyethylene Products (International) Ltd. (Crown).<sup>4</sup> Commerce received no other requests for an administrative review of the *Order*. On October 7, 2021, pursuant to section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), Commerce initiated this administrative review.<sup>5</sup>

### Scope of the *Order*

The products covered by the *Order* are PRCBs which may be referred to as t-shirt sacks, merchandise bags, grocery bags, or checkout bags. The subject merchandise is defined as non-sealable sacks and bags with handles (including drawstrings), without zippers or integral extruded closures, with or without gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inch (0.889 mm) and no less than 0.00035 inch (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The depth of the bag may be shorter than 6 inches but not longer than 40 inches (101.6 cm).

PRCBs are typically provided without any consumer packaging and free of charge by retail establishments, *e.g.*, grocery, drug, convenience, department, specialty retail, discount stores, and restaurants, to their customers to package and carry their purchased products. The scope of the *Order* excludes (1) polyethylene bags that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) polyethylene bags that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, *e.g.*, garbage bags, lawn bags,

trash-can liners.

Imports of the subject merchandise are currently classifiable under statistical category 3923.21.0090 of the Harmonized Tariff Schedule of the United States (HTSUS). This subheading also covers products that are outside the scope of this *Order*. Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, our written description of the scope of this *Order* is dispositive.

#### Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review withdraws its request within 90 days of the date of publication of the notice of initiation. On November 12, 2021, the petitioners timely withdrew their request for an administrative review of Crown.<sup>6</sup> Because no other party requested an administrative review of Crown, we are rescinding this administrative review, in part, with respect to Crown, pursuant to 19 CFR 351.213(d)(1).

#### Preliminary Determination of No Shipments

On October 29, 2021, Nozawa submitted a letter certifying that it did not have any exports, sales, or entries of subject merchandise to the United States during the POR.<sup>7</sup> Record evidence supports Nozawa's no-shipment claim,<sup>8</sup> and we preliminarily find that Nozawa had no shipments of subject merchandise to the United States during the POR. Consistent with Commerce's practice, we will not rescind the review with respect to Nozawa but, rather, will complete the review and issue appropriate instructions to CBP based on the final results of review.<sup>9</sup>

## China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.<sup>10</sup> Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, and we did not self-initiate a review, the China-wide entity rate (*i.e.*, 77.57 percent)<sup>11</sup> is not subject to change as a result of this review.

## Disclosure and Public Comment

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results within five days of the public announcement, or if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, because Commerce did not calculate a weighted-average dumping margin for any company in this review, nor for the China-wide entity, there are no calculations to disclose. Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.<sup>12</sup> Commerce modified certain of its requirements for serving documents containing business proprietary information until further notice.<sup>13</sup> Parties submitting case or rebuttal briefs are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>14</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically *via* ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.

Unless extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

#### Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP shall assess, AD duties on all appropriate entries covered by this review.<sup>15</sup> Because Commerce is rescinding this administrative review with respect to Crown, Commerce will instruct CBP to assess antidumping duties on all appropriate entries of PRCBs from China from Crown during the POR at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

With respect to Nozawa if we continue to find that Nozawa had no shipments of subject merchandise in the final results, then following the issuance of the final results of review, Commerce will instruct CBP to liquidate any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) at the China-wide rate.<sup>16</sup>

---

<sup>15</sup> See 19 CFR 351.212(b)(1).

<sup>16</sup> See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65695 (October 24, 2011).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for previously investigated or reviewed Chinese and non-Chinese exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 77.57 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter (or, if unidentified, that of the China-wide entity). These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing these preliminary results in accordance with sections 751(a)(1)(B), 751(a)(3) and 777(i) of the Act, and 19 CFR 351.213 and 351.221(b)(4).
